## Tenth Anniversary of Laudato Si

A decade ago, we began a journey of hope, prayer, and action for our Common Home. Pope Francis taught us that "Living our vocation to be protectors of God's handiwork is essential to a life of virtue." Protecting creation is not a side project but a core interest for the faithful.

Today, ask yourself: How can I live this vocation more fully in my daily actions? To mark ten years of Laudato Si and to honour the legacy of Pope Francis let us commit to one concrete change:

- Reduce single-use plastic
- Walk or cycle more
- Rethink fast fashion
- Plant native flowers or herbs
- Support ethical, local producers
- Campaign for an end to fossil fuel use, with a just transition for workers

Let's live Laudato Si' together with courage, compassion, and care for God's creation.

## Pope Leo XIV calls for peace in Ukraine and ceasefire in Gaza

"From the Gaza Strip," the Pope said, we hear "rising ever more insistently to the heavens, the cries of mothers and fathers who clutch the lifeless bodies of their children, and who are continually forced to move about in search of a little food and water and safer shelter from bombardments."

Ukraine has been subjected in recent days to onslaughts of Russian drones and missiles aimed primarily at civilian targets. Air raids against Ukrainian cities are the largest since Russia launched its full-scale invasion of the country in 2022.

"I pledge my closeness and prayers for all the victims, especially children and families," the Pope said at the Audience, while renewing his appeal "to stop the war and to support every initiative for dialogue and peace."

He invited everyone "to join in prayer for peace in Ukraine and wherever people are suffering due to war."
