**Apple Crumble? More please!**

Children to come to the orchard and pick some apples and plums on the afternoon of Friday 12<sup>th</sup> September. Clare Gray and her team will help stew the fruit, and make crumble topping. 30 finished crumbles will be made on Thursday 11<sup>th</sup> by Clare's team. Older children and adults can then prepare the fruit on the Friday afternoon. The children will make some crumble topping, but there will be a prepared batch to use for the ones we are giving as gifts. The children can take their own prepared food home with them if they want to. It would be good if some children were able to give the gifts to the pilgrims as they come into the church on Saturday." So, mum's and dad's, please give this project your consideration.

**A big thank you**

To all who gave up their time at various points in the week to lend support to our three Stonemasons. We are very hopeful the construction target will be reached, though lots of work, still remains.

**On Saturday** 6 Sept., the car park area was given a quick tidy in preparation for the Pilgrims arriving this coming Saturday. A sincere thank you to those involved.

At the most recent Pastoral Council meeting a **major cleanup** around the grounds was proposed and a date of **27 September** was fixed. More on this nearer the time.

**Pope Leo's September prayer intention**

In his prayer intention for September 2025, Pope Leo XIV invites us to pray that we might experience our interdependence with all creatures, who are loved by God and worthy of love and respect. [The video.](#) Pope Leo's prayer:

*"Let us pray that, inspired by St Francis, we might experience our interdependence with all creatures who are loved by God, and worthy of love and respect. Lord, You love everything You have created, and nothing exists outside the mystery of Your tenderness. Every creature, no matter how small, is the fruit of Your love and has a place in this world. Even the simplest or shortest life is surrounded by Your care. Like St. Francis of Assisi, today we too want to say: "Praised be You, my Lord!" Through the beauty of creation, You reveal Yourself as a source of goodness. We ask You: open our eyes to recognise You, learning from the mystery of Your closeness to all creation that the world is infinitely more than a problem to solve. It is a mystery to be contemplated with gratitude and hope. Help us to discover Your presence in all creation, so that, in fully recognising it, we may feel and know ourselves to be responsible for this common home where You invite us to care for, respect, and protect life in all its forms and possibilities. Praised be You, Lord! Amen."*
