LENTEN MESSAGE FROM POPE LEO XIV: "LISTENING AND FASTING: LENT AS A TIME OF CONVERSION"

Dear brothers and sisters,

Lent is a time in which the Church, guided by a sense of maternal care, invites us to place the mystery of God back in the center of our lives, in order to find renewal in our faith and keep our hearts from being consumed by the anxieties and distractions of daily life.

Every path towards conversion begins by allowing the word of God to touch our hearts and welcoming it with a docile spirit. There is a relationship between the word, our acceptance of it and the transformation it brings about. For this reason, the Lenten journey is a welcome opportunity to heed the voice of the Lord and renew our commitment to following Christ, accompanying him on the road to Jerusalem, where the mystery of his passion, death and resurrection will be fulfilled.
